(b) (6)

Dear Messrs. and Mrs. (b) (6)

On August 24, 2015, an Administrative Order for Compliance (CWA-07-2015-0102) was issued by the U.S. Environmental Protection Agency to (b) (6) under the authority of Section 309(a) of the Clean Water Act, 33 U.S.C. § 1319(a). The EPA has reviewed the information submitted by you in response to the August 14, 2018, conference call between you, Ms. Amy Dona with the U.S. Department of Justice, along with Chris Muehlberger and Lantz Tipton from the EPA, Region 7. The conference call discussed the required compliance activities outlined in the Order. On August 17, 2018, you provided documentation that those requirements have been adequately met. This letter serves as a notification to you that the EPA is terminating the referenced Order. The EPA's decision to terminate the Order is conditioned upon the accuracy of your representations to the EPA in response to the requirements of the Order.

Termination of the Order in no way relieves you of the obligation to comply with Section 404 of the Clean Water Act and all applicable statutes and regulations. The effect of this termination is limited to the requirements imposed under the Order. The EPA reserves all of its authorities, both legal and equitable, under the CWA and any other statutory, regulatory, or common law authorities of the U.S.

If you have any questions relating to this termination letter or the above referenced enforcement action, please contact Lantz Tipton, of my staff, at (913) 551-7892, or Chris Muehlberger in the Office of Regional Counsel at (913) 551-7623.

Sincerely,

Jeffery Robichaud  
Director

Water, Wetlands and Pesticides Division
